**ATTENTION
TO DETAIL**

We know that small touches
make a big difference.
Our powerchair range is
configurable and modifiable
to suit your individual needs.

**ROBUST
QUALITY**

We never compromise on
quality. Your powerchair
is your mobility, therefore
reliability is paramount.

**ENGINEERED TO
THE LAST BOLT**

We listen to and value
your feedback. Our team
of in-house engineers work
side by side with end users
and therapists. We're all
about innovation; if we
think we can make our
powerchairs better, we will.

**AUSTRALIAN
DESIGNED
AND MADE**

We are proud that our
powerchair range is
designed and made in
our Australian
manufacturing facility.

*Specifications subject to change. Check online for current version
**Please remember that your wheelchair has electric motors and must
not be driven through water, into rivers, creeks or the sea
