**ATTENTION
TO DETAIL**

We know that small touches make a big difference. Our powerchair range is configurable and modifiable to suit your individual needs.

**ROBUST
QUALITY**

We never compromise on quality. Your powerchair is your mobility, therefore reliability is paramount.

**ENGINEERED TO
THE LAST BOLT**

We listen to and value your feedback. Our team of in-house engineers work side by side with end users and therapists. We’re all about innovation; if we think we can make our powerchairs better, we will.

**AUSTRALIAN
DESIGNED
AND MADE**

We are proud that our powerchair range is designed and made in our Australian manufacturing facility.

*Specifications subject to change. Check online for current version
**Please remember that your wheelchair has electric motors and must not be driven through water, into rivers, creeks or the sea
