

PIRANHHA

FIXED FRAME DAY WHEELCHAIR

Take a bite out of the competition with a Piranha.

The Melrose Piranha is a favourite lightweight wheelchair for many of our users. They like the extra compact frame with no under-frame allowing easier lifting and loading into vehicles.

It is completely custom built to the individuals specification for

size, rake and camber.

It has an option for an adjustable camber bar position allowing you to alter your centre of gravity. It can also be built with the Ergo Seat System
